Dedications

In appreciation of Mr. M. T. Seitz, a teacher who has given 25 years of service to Itawamba County Agricultural High School and to Itawamba Junior College, a teacher who has influenced not only his students in the classroom but, through these students, the industrial development of Itawamba County, a man who is admired and respected by all who know him—we, the IJC staff, dedicate the 1960 edition of the MIRROR.

In Appreciation

We, the IAHS staff, proudly dedicate this 1960 edition of the MIRROR to Mrs. Ruth Owings. Her untiring efforts have helped our school to receive Top Honors in the new QUIZ 'EM ON THE AIR series.

The Dean's Message

Dear Students:

The progress of Itawamba Junior College since September, 1948, has taken many forms. The two types of progress have been in the growth of student population and in the enrichment of the curriculum.

In 1948 we opened the Junior College with a class of 114 students. This enrollment has grown to over 600 students.

During the opening session we offered the following curricula in six fields: agriculture, business, preparatory for B.A. degree, engineering, home economics, and preparatory for the B.S. degree. Since 1948 we have added the following curricula: education, industrial education, music, band, and nursing. General education has replaced the preparatory for the B.A. and the B.S. degrees. The following technological courses have developed during this period: business technology, chemical technology, civil technology, industrial technology, and medical technology.

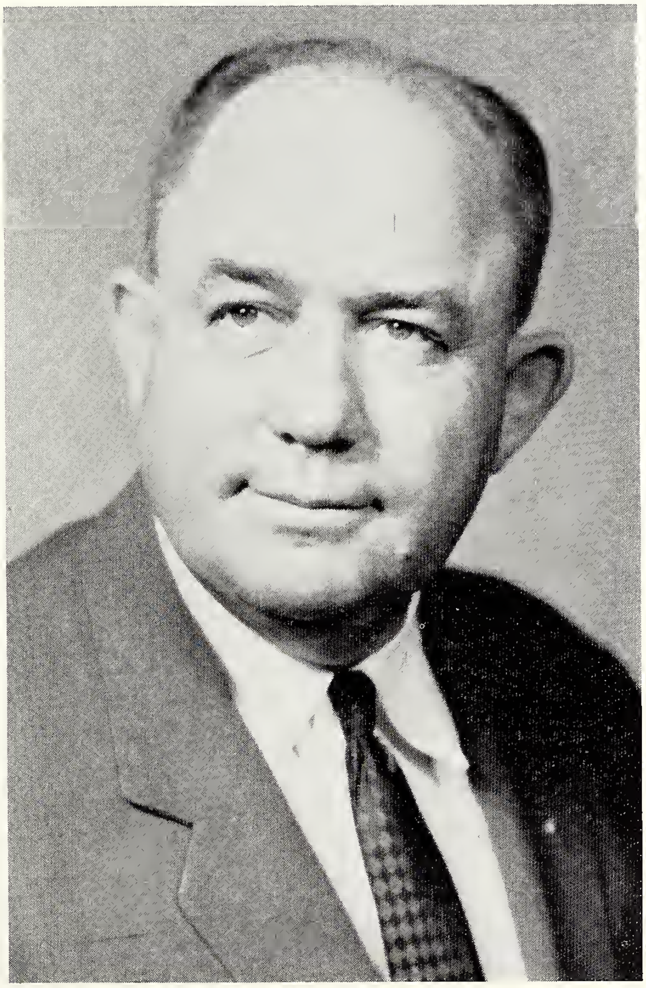
Officials of the school are very grateful to all students, past and present, for your cooperation in the steady development of *your* Junior College.

Sincerely yours,
J. S. Crubaugh
Dean of Itawamba Junior College

The President's Message

Itawamba Junior College has made remarkable progress in its physical facilities over the past ten years. When the junior college was established in 1948, there were only six buildings on the campus. Since that time, approximately thirty additional buildings have been added to the campus. The old buildings were completely reworked or eliminated. In 1948, the assessed evaluation of the buildings and grounds was $286,472.86, according to the Mississippi State Audit Department. In 1958, the assessed evaluation of Itawamba Junior College was $1.270,990.14, according to the Mississippi State Audit Department. This means that the assessed evaluation of the buildings and grounds at the end of the 1957-58 school term was more than $1,000,000.00.

This shows that much progress has been made over the past ten years. This progress has been made by the complete cooperation of the people, the faculty, boards of supervisors, and trustees. It is hoped that more progress will be made during the next ten years.



Officers of Administration

SPRING '59 AT IJC

President Sheffield discusses educational plans with two prospective Freshmen on Senior Day at IJC. Many of the visiting High School Seniors took the College Readiness Test on Senior Day in order to qualify for one of the many scholarships offered by the College.

Luncheon on Senior Day was enjoyed by several hundred High School Seniors. The line at the right are only a few of the Seniors who visited the IJC campus for food, fun, and tests.

Below: A group of IJC students and their Sponsors are ready to board the bus which took them to the State Speech Festival at ECJC at Decatur, Mississippi.

SPRING '59 AT IJC

DOWN IN THE VALLEY was presented as a spring performance by the IJC-IAHS Music Department. The scene at right catches almost the entire cast on the stage in a dance scene at Shadow Creek Cafe. In the inserts above three people who were not in the original scene are shown. The leads were played by Terry Thornton, Annette Shumaske, George Martin, Ruth Duvall, Charles McLendon.

Members of *Chieftan* staff are highly pleased over their student publication's winning an Award of Merit for 1959.

THE GYMNASIUM ON IJC-IAHS CAMPUS

The Gym accommodates both Junior College and High School groups for physical education as well as for- inter-school games. The Junior College engages in three inter-collegiate sports: baseball, football, and basketball. Tennis is played only on the IJC home court. The students who participate in the three competitive sports are shown on the following 8 pages.

College Baseball

Since the early years of IJC's existence, many Scouts for professional baseball clubs have visited the campus each spring.

End of '59 Baseball Season

Dean J. S. Crubaugh has been with baseball at Itawamba Junior College since 1949. He is an avid baseball fan himself; he has seen his teams build up an enviable position in the North Division and in the State. His 1959 team ended the season with a tie for second place, North Division.

Coach Ray Thornton, who formerly handled the football at IJC, in May, 1959, relieved Dean Crubaugh of his coaching duties, so that he could give more of his time to the affairs of the entire student body.

The shots below are from the opening game of the season, held at Itawamba Junior College on Senior Day in the spring of '59. The top picture shows John Crubaugh at bat. The lower picture shows William Warr at Catcher's post in a game with East Mississippi Junior College of Scooba.

Monroe Hall is the residence of the young women students at IJC. Sandra York and Scarlett Windham from Ecru, Mississippi, demonstrate the way *not* to spend study hours at IJC. Both are very good students, a fact that proves that Freshmen can have their fun and make good grades too.

Homecoming at IJC-IAHS

REGISTRATION OF ALUMNI

IJC-IAHS alumni are greeted by two members of the Welcoming Committee, Mr. Argie Wilson and Mr. A. V. Weatherford, at the Alumni Registration Center.

Night Homecoming Activities

The IJC-IAHS Alumni meet in the Cafeteria at seven o'clock for their banquet; Mr. John Burch, Sales Executive for Pontiac in Memphis, and a former graduate of IAHS was the speaker at the banquet.

The Homecoming Dance was held in the Gymnasium. The two couples in the foreground are freshman Winford Adams and sophomore Brenda Mills, graduate Billy Stephens, sophomore Patricia Seitz.

At Work at IJC

A group of "Serious Sophomores" meet a class in office machines. Dale Staten in the foreground looks as if she might be a little more serious than the others. Mr. G. W. Smith directs the course—Office Machine.

Barbara Akers is only one of the many students who help out in the various departments of the junior college. Barbara works in the Business Office.

Mechanical Drawing is in great demand by engineering students and by others. Here are a number of college freshmen "putting in hours" to complete assignments. These freshmen are Jimmy Loden, Jerry Moore, Harold Wilburn, and Tommy Fred Davis.

Itawamba Junior College Hall of Fame

These four Itawamba Junior College Sophomores were selected to the 1960 Hall of Fame: Jamie Tate, Tremont, Mississippi; David Hefflin, Baldwin, Mississippi; Martha Ruth Malone, Guntown, Mississippi; and Bobby Moore, Fulton, Mississippi. These students were chosen on the basis of scholarship, leadership, participation in campus activities, and their general attitude toward their work, toward other students, and toward the college staff.

Clubs and Other Organizations and Religious Groups at Itawamba Junior College

Organizations play an important role at Itawamba Junior College. It is through these that the students receive the plus value of their college education—that something that does not come from the meeting of classes nor from the informal association of students on the college campus.

The various clubs, which are closely related to subject matter fields, give the student an opportunity to exercise his interest in that particular field.

The major religious groups represented on the IJC campus work through a campus organization. Each student can find a religious group with which he finds fellowship and an opportunity to exercise his spiritual development.

The Itawamba Junior College Alma Mater

Let our voices loudly ringing, Echo far and near;
Songs of praise, dear Itawamba, To thy mem'ry dear.

In our hearts we praise thee truly, And thy name recall;
Days of fair and stormy weather, Thou hast gladdened all.

Years may dim our recollection; Time its change may bring;
Still thy name in fond affection, evermore we sing.

Chorus:
Itawamba, Alma Mater, always fair and true;
Gratefully we now acknowledge, all our vows to you.

SOPHOMORES ABOUT THE CAMPUS OF IJC

Homecoming at Itawamba Junior College is always a happy occasion. On that day top honors go to the Sophomores. This year Martha Ruth Malone of Guntown was selected by the student body as Homecoming Queen. She was crowned at half-time by the President of the Student Body—Eddie Hall of Fulton. Who could look happier than these two?

At left: A group of students from Amory make ready to board the bus at NOON! to return to Amory—The occasion for such early departure is a Monroe County Teachers' Meeting. These students are, reading from left to right: James Laney, Tom Davidson, Buck Kennedy, Junior; Annette Shumaker, Doyle Thompson, and Ronald Clark. They thought they were escaping unnoticed, but they were quite pleased when the photographer happened along.

Of course, tests of any kind are obnoxious, even to Sophomores. You can imagine, then, how obnoxious the first test of the Fall Term in English Literature is to Donald Graham, Jerry Neal, James Turner, Bobby Sheffield, and Virginia Scott. I'm sure that the other members of this Sophomore class are just as happy that their "agony" is not on exhibit to the World.

FRESHMEN ABOUT THE CAMPUS AT IJC

Floyd Dekker of Tupelo and Pat Evans of Nettleton coming from classes in the Science building for refreshments in the Rek Hall.

Two treshman football players—James Merritt—Jerry Wilburn—cramming for term tests.

Four freshman girls—Jean Knight, Jeanie Norwood, Frances West, Peggy Hamilton—chat while eating lunch in the school cafeteria.

It seems funny that the freshmen after just a few weeks at IJC already seem to have deflated egoes.

Last week a freshman was asked to help move a table in the library, and he answered,
n't, I'm just a freshman."

World Champions Quiz 'Em on the Air

Quiz 'Em on the Air is sponsored by the *Commercial Appeal* of Memphis, Tennessee. It is a question and answer contest which tests the current events knowledge of youth. Questions are taken from the editions of The *Commercial Appeal.* The IAHS team was winner over station WTWV in Tupelo and station WMCT in Memphis. They were named World Champions after compiling a perfect world championship score over station WMCT. This was the first perfect world championship score in the 16 years history of Quiz 'Em on the Air. Members of the team were awarded individual plaques and a week-end trip to Memphis as guests of the *Commercial Appeal.* The 1958 IAHS Quiz 'Em team was also world championship winner.

"A stitch in time saves nine," not only in later life but also in passing Home Economics. Careless students, unaware of this proverb, are always ripping out their stitches.

STANDING: Stubblefield, Davis, Elliff, Maxcy, Moore, Wood, Bowen.
KNEELING: Spradling, Hood, Wilson, Enlow, McBee, Davis, McBee.

The 1959 IAHS baseball squad, a hard-hitting, hustling club, took the South Division title and went on to capture the Tombigbee Conference championship. In recognition of this, each player received a jacket. Their final record showed 6 wins and 6 losses.

As this book must go to press before baseball season officially opens, we are unable to report on the team's success. Judging by the abundance of hitting strength, fine defensive ball, and the ability of the league's greatest coach, Mr. Prestage, we know that the 1960 season will be very successful.
